

OSWEGO COUNTY EARLY INTERVENTION SPECIALIST

This is a professional position in the Public Health Department of Oswego County Health Services involving responsibility for providing assistance to parents of infants and toddlers with developmental delays in order to access early intervention services. This position will serve a diverse population of children and families. Candidates who are bilingual or have Spanish-language skills are encouraged to apply.

Qualifications: Possession of a bachelor's degree or higher in a health or human services field*; **OR** Possession of an associate's degree in a health or human services field* and two years of service coordination experience with infants and/or toddlers with developmental delays or disabilities.

*For purposes of qualifying for this title a "human service" field includes social work, psychology, nursing, rehabilitation, education, occupational therapy, physical therapy, recreation or recreation therapy, counseling, community mental health, child and family studies, speech and hearing.

This title has been approved to be filled without the need to take an exam for a limited period through the HELP Program. Candidates appointed permanently to this title will NOT need to take an exam and will remain in their position even when the HELP Program ends.

Pay Rate: \$26.27 per hour plus competitive benefit package including: health, life, dental and vision insurance, NYS Retirement and Public Service Loan Forgiveness Program.

To Apply: Review of applications will begin immediately and will continue until the position is filled. Please visit our website to complete an online application or submit a paper application to the address below.
