

## OSWEGO COUNTY MAINTENANCE MECHANIC "B"

The Oswego County Energy Recovery Facility has an immediate need for a Maintenance Mechanic "B" skilled in the millwright/mechanical trades to install, maintain, repair and troubleshoot power plant systems and equipment.

**Qualifications:** Associates degree in engineering technology or a closely related field; **OR** possession of a high school diploma/equivalency diploma and one year of experience in repair and maintenance of mechanical, electrical, or steam equipment; **OR** Possession of Certificate of completion from a Union-Company Sponsored Apprentices Program requiring at least 8,000 hours of on-the-job training. **SPECIAL REQUIREMENT:** Eligibility for a New York State driver's license may be required. If required, maintenance of license required throughout the course of employment. Ability to use a respirator must be maintained throughout the course of employment. **NOTE:** Completion of an equipment maintenance course may be substituted for up to a year of experience depending on length and type of training.

**Pay Rate:** \$24.10 per hour plus competitive benefit package including health, life, dental and vision insurance and NYS Retirement.

**To Apply:** Review of applications will begin immediately and continue until position is filled. Please visit our website to complete an online application or submit a paper application to the address below.
