As stated in Section 58 of the Civil Service Law, you will be required to participate in a psychological evaluation to determine your fitness to perform the essential duties of the position prior to appointment. Failure to meet the standards may result in your offer of employment being rescinded or in your disqualification. An eligible candidate will be called for a psychological assessment as needed to fill existing and anticipated vacancies.

The MPTC medical standard for **visual acuity** requires candidates to have vision better or equal to 20/30 in each eye.
