

Public Health Nursing Services
Oswego County

REGISTERED PROFESSIONAL NURSE

The Oswego County Health Department has immediate openings in the preventive health division for registered professional nurses to provide nursing care to at-risk pregnant women and children in their home, to perform assessments for the personal care assistance program and to work in prevention programs related to immunization, communicable disease, tuberculosis, and lead poisoning.

Qualifications: Possession of a current valid license and registration to practice as a Registered Professional Nurse in NYS and one (1) year of professional acute care nursing experience.

Multiple positions are available including permanent full-time, part-time, and Public Health Fellowship positions. Employees in the Public Health Fellowship program will earn a New York State Public Health Essentials certificate from Cornell University upon completion of the program.

Pay Rate: \$25.71 per hour plus an excellent benefit package including health, life, dental and vision insurance, NYS retirement, and Public Service Loan Forgiveness Program.

To Apply: Review of applications will begin immediately and continue until the positions are filled. Please visit our website to complete an online application or submit a paper application to the address below.
