

OSWEGO COUNTY COMMUNITY SERVICE WORKER (TEMPORARY)

The Oswego County Department of Social Services has immediate openings for temporary Community Service Workers to assist staff members and clients by performing support services related to the Home Energy Assistance Program (HEAP). Duration of the positions are typically 3 – 6 months, dependent upon the needs of the program.

Qualifications: One (1) year of study (a minimum of 30 credit hours) at a regionally accredited or NYS registered college, university, or business school; **OR** graduation from high school or possession of an equivalency diploma and one (1) year of paid or volunteer experience, in a non-professional position supporting social service, employment, health care, or other community-based programs.

Pay rate: \$14.67 per hour.

To Apply: Review of applications will begin immediately and continue until the positions are filled. Send application to:
