

## OSWEGO COUNTY SENIOR HEALTH PROGRAM SPECIALIST

The Oswego County Health Department has an immediate opening for a Senior Health Program Specialist to oversee the Immunization Program. The incumbent will manage the immunization action plan grant, oversee all immunization clinics, assist with vaccine preventable disease outbreaks, and perform immunization related community outreach. The incumbent will also assist with the Lead Poisoning Prevention Program as needed.

**Qualifications:** Bachelor's degree in wellness management, psychology, human development, social work, human services, counseling, or closely related field; **OR** bachelor's degree and one (1) year of experience working with children and/or families in a health or social services agency, or community services setting.

**SPECIAL REQUIREMENT:** Participation in Public Health emergency preparedness drills and responses may be required. Select immunizations may be required at time of appointment or at any time throughout the course of employment according to New York State Department of Health or other oversight agency requirements.

Permanent appointment to this position requires successful completion of the civil service examination.

**Pay Rate:** \$23.83 per hour plus competitive benefit package including: health, life, dental and vision insurance; NYS Retirement; and Public Service Loan Forgiveness Program.

**To Apply:** Review of applications will begin immediately and continue until position is filled. Please visit our website to complete an online application or submit a paper application to the address below.
